

LIVESTRONG AT THE YMCA

The Y Annual Campaign supports programs like LIVESTRONG, which helps cancer survivors like Mark and Jeanne regain strength after treatments and connect with others.

“Thank you very much for helping people like me to live life again,” Mark said.

“It’s the best thing I’ve done. I’ve got my strength back. I feel like I’m part of the world again,” Jeanne said.

The true meaning of life is to plant trees, under whose shade you do not expect to sit,”

What is the Y Annual Campaign?

The Y runs an Annual Campaign from fall through winter each year to raise funds to provide access to the Y for all via scholarships and programs, especially for youth. This year, we are celebrating the 150th anniversary of the Marshalltown Y. We are proud of our legacy of serving our entire community and your donation will ensure that continues.

The Marshalltown Y has been part of Jim's life since his parents enrolled him in the Y's tadpole swim program in 1953. So throughout the Y's 150 years in Marshalltown, Jim has been there for 73 of them! Patty remembers taking their children to swim lessons while Jim would meet friends over the noon hour for exercise and more.

Their six children participated in many programs at the Y such as swim team, basketball, and teen offerings. Today, their grandchildren always insist on visiting the Y when they are in town and love the pool.

The Bowmans said: "The Y's impact on all of us has been immeasurable. Beyond promoting health and wellness, the Marshalltown Y has strengthened our community by bringing people together of all ages who share common interests, stories and goals, resulting in friendships.

Please reflect on your Y experiences and be sure to donate today!"
